

1 notice and Mr. Shanahan shouldn't have been called
2 here. And, the Attorney General's office should have
3 been notified to be here. And, it should be under
4 violation of probation, because essentially that's
5 what--essentially what we're going to be trying to do
6 here. I need a moving party to ask for a bench warrant
7 is what I need for non-compliance; not reporting to
8 Probation.

9 So, we'll pass. We just won't take any
10 action today.
